Intent Forms

We appreciate receiving all the Intent Forms that have been returned so far. Returning these forms will help us plan and prepare for next school year's admission and reserve your child's position for the next school year. We want to accommodate our current Olney Prep families as much as possible, but have been receiving requests for admissions from other families and would like to be able to let them know in time if we can accommodate them or not. We realize that there are a number of factors that you need to consider, but we ask that you kindly assist us by completing and returning the forms to us by February 1st.
